

prate parties, shall determine the model data elements that are useful for the observation and analysis of State and national trends in occurrences, rates, outcomes, and circumstances of motor vehicle traffic accidents. In order to be eligible for a grant under this section, a State shall submit to the Secretary a certification that the State has adopted and uses such model data elements, or a certification that the State will use grant funds provided under this section toward adopting and using the maximum number of such model data elements as soon as practicable.

(2) DATA ON USE OF ELECTRONIC DEVICES.—The model data elements required under paragraph (1) shall include data elements, as determined appropriate by the Secretary, in consultation with the States and appropriate elements of the law enforcement community, on the impact on traffic safety of the use of electronic devices while driving.

(3) MAINTENANCE OF EFFORT.—No grant may be made to a State under this section in any fiscal year unless the State enters into such agreements with the Secretary as the Secretary may require to ensure that the State will maintain its aggregate expenditures from all other sources for highway safety data programs at or above the average level of such expenditures maintained by such State in the 2 fiscal years preceding the date of enactment of the SAFETEA-LU.

(4) FEDERAL SHARE.—The Federal share of the cost of adopting and implementing in a fiscal year a State program described in subsection (a) may not exceed 80 percent.

(5) LIMITATION ON USE OF GRANT PROCEEDS.—A State may use the proceeds of a grant received under this section only to implement the program described in subsection (a) for which the grant is made.

(f) APPLICABILITY OF CHAPTER 1.—Section 402(d) of this title shall apply in the administration of this section.
